I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

I required a specially compounded formula and cannot get it from my local pharmacy. The specially compounded natural hormone formula has enabled me to live a quality life without the unpleasant side affects of menopause.

I do not want the government to regulate where I can buy my medications.

Please do not pass this draft M.O.U.

Thank you,

Anne Cardosa
